Dear Dr. Anne-Marie Saillenfait:

Thank you for your interest in the environment !

The EPA Docket Center received your request for information on 8/23/2016. Requests are handled on a first-come first-serve basis. While our goal is to complete your request within 10 business days, this may not be possible due to high volume. If this is applicable to your request, the Docket Center Staff will notify you. You may also contact us if you have any questions or need to know the status of your request.

The preferred method of providing the requested information is in electronic format. The original media types of hard copy, microfiche, and microfilm will be converted to electronic format as this is the most expedient and efficient way of providing the documents. If the requested documents are too large for a requester's server or mail box, we will contact you to arrange alternative mailing arrangements.

Sincerely -

Kenneth C. Powell, Contractor
